

Summer at CEAP

PlayStrong, GrowStrong, LearnStrong!

This summer, CEAP is helping all our neighbors Play, Grow, and LearnStrong! Our Summer at CEAP programming is designed to fuel each neighbor through summer fun and propel our entire community into a healthier, more connected, and stronger future.

PlayStrong

Summer fun in the sun! CEAP is sharing PlayStrong kits with healthy, on-the-go snacks, summer essentials like sunscreen, and other resources to get the kids of our community (and their families!) out and about.

GrowStrong

GrowStrong kits curate the essential ingredients needed for a healthy, family-friendly recipe. This program will provide every family with the tools they need to take any grocery order and prepare a balanced meal!

Farm Fresh in the Fast Lane!

More food, more families, more fun! This year, participants will drive-thru to receive an abundance of fresh produce and weekly, themed connections to other supports and fun activities in the community.

LearnStrong

LearnStrong @ CEAP empowers us to come together and invest students and all of the possibilities they bring to our community. CEAP shares backpacks filled with school supplies with about 3,500 students each year!

Opportunities

Become a Financial Partner

All our neighbors deserve to Play, Grow, and LearnStrong - this summer and always. Help CEAP and our community make summer count by supporting healthy food and community connections!

- \$500 provides 10 GrowStrong kits to create a fun, balanced meal for the whole family
- \$1,000 shares an abundance of fresh produce through Farm Fresh in the Fast Lane for 1 week
- \$2,500 purchases 50 pallets of produce OR helps 100 kids in our community stay nourished and active with PlayStrong kits
- \$5,000 provides approximately 1,000 neighbors with fresh produce and guarantees your spot as presenting sponsor for Summer at CEAP

Volunteer

CEAP relies on volunteer support to make all our programs possible. Double down on your investment in our community by sponsoring AND volunteering to build kits!

Summer volunteer experiences are in high demand. To ensure CEAP has the support we need to make these programs possible, event sponsors are prioritized for volunteer opportunities.

Benefits

Summer at CEAP by the Numbers

- 75+** community partners offering connections and resources
- 425** families visit CEAP’s Food Market each week
- 1,100+** individuals served each week on average
- 3,500** children receive backpacks and essential school supplies each year
- 110,000+** pounds of fresh produce shared over the season

Your engagement with Summer at CEAP has reach!

| Perk | \$500 | \$1,000 | \$2,500 | \$5,000 | \$10,000 |
