

# March FoodShare 2020: CEAP Community Challenge!

On behalf of CEAP, we are thrilled to welcome your community group into the CEAP Community Challenge! By accepting the CCC and participating in Minnesota FoodShare's March Campaign (also referred to as March FoodShare), you are showing your support for CEAP, your local food shelf. As CEAP grows in 2020 to open its second food shelf location in Brooklyn Park, your support is more important than ever. Thank you for being a part of this movement for a stronger community!

There are so many ways that your organization can support CEAP, your local food shelf, during the March FoodShare CEAP Community Challenge! We'll list a few of them here, but feel free to contact us with your ideas for what will work best for your group.

- Host a physical food & fund drive— we can provide the collection containers for food and funds! Making it a competition between committees or teams can add some energy.
- Host an online fundraising drive. It's easy to set up— take a look at the “How to Host an Online Fundraiser” PDF or contact Paige at [paige.myers@ceap.com](mailto:paige.myers@ceap.com) for assistance setting up your drive.
- Host a fundraising event to boost group morale and engage the community in your support of CEAP!
- Volunteer as a group at a CEAP Grocery Store Saturday, handing out lists of most-needed items and pre-packing bags of groceries for store customers to purchase for CEAP ([sign up here](#))

Do you have questions or ideas about how you can best support CEAP during March and the CEAP Community Challenge? Email or call our Communications and Events Manager, Paige, at [paige.myers@ceap.com](mailto:paige.myers@ceap.com) or 763-450-3663.
