

March FoodShare 2020: CEAP Community Challenge!

On behalf of CEAP, we are thrilled to welcome your corporation into the CEAP Community Challenge! By accepting the CCC and participating in Minnesota FoodShare's March Campaign (also referred to as March FoodShare), you are showing your support for CEAP, your local food shelf. As CEAP grows in 2020 to open its second food shelf location in Brooklyn Park, your support is more important than ever. Thank you for being a part of this movement for a stronger community!

You've taken the first step in showing your support for CEAP this March FoodShare season, and there are so many other ways to continue doing so! We've compiled a list here, but feel free to put your own spin on it.

- Host a physical food & fund drive— we can provide the collection containers for food and funds! Making it a competition between departments or teams can add to the fun, or pledging a dollar amount donated by the company per pound of food donated by employees.
- Host an online fundraising drive. It's easy to set up— take a look at the "How to Host an Online Fundraiser" PDF or contact Paige at paige.myers@ceap.com for assistance setting up your drive.
- Host a fundraising event to boost team morale and engage your customers in your support of CEAP!

Do you have questions or ideas about how you can best support CEAP during March and the CEAP Community Challenge? Email or call our Communications and Events Manager, Paige, at paige.myers@ceap.com or 763-450-3663.
