

March FoodShare 2020: CEAP Community Challenge!

On behalf of CEAP, we are thrilled to welcome your school into the CEAP Community Challenge! By accepting the CCC and participating in Minnesota FoodShare's March Campaign (also referred to as March FoodShare), you are showing your support for CEAP, your local food shelf. As CEAP grows in 2020 to open its second food shelf location in Brooklyn Park, your support is more important than ever. Thank you for being a part of this movement for a stronger community!

There are so many ways that your school can support CEAP, your local food shelf, during the March FoodShare CEAP Community Challenge! We'll list a couple of tried-and-true ideas here, but feel free to contact us with your ideas for what will work best for your students.

- Host a physical food & fund drive— we can provide the collection containers for food and funds! Make it a competition between classes or clubs to add some energy, and offer a reward (pizza party!) to the winning group.
- Host a fundraising event to boost student morale and engage families in your support of CEAP!

Do you have questions or ideas about how you can best support CEAP during March and the CEAP Community Challenge? Email or call our Communications and Events Manager, Paige, at paige.myers@ceap.com or 763-450-3663.
