

March FoodShare 2020: CEAP Community Challenge!

On behalf of CEAP, we are thrilled to welcome you into the CEAP Community Challenge! By accepting the CCC and participating in Minnesota FoodShare's March Campaign (also referred to as March FoodShare), you are showing your support for CEAP, your local food shelf. As CEAP grows in 2020 to open its second food shelf location in Brooklyn Park, your support is more important than ever. Thank you for being a part of this movement for a stronger community!

You've taken the first step in showing your support for CEAP, your local food shelf, and there are so many other ways to continue doing so! We've compiled a list here, but feel free to put your own spin on it.

- Be a CEAP social media ambassador. Head over to our Facebook Page and share our posts on your profile and in any community Facebook groups you're a part of. You can also add the CEAP frame to your profile photo!
- Be the middle man for your neighbors. Send an email or text to your neighbors and let them know that if they'd like to donate food or funds, you'd be happy to collect their donations and drop them off at CEAP.
- Host an online fundraiser for CEAP on GiveMN. Use the "How to Host an Online Fundraiser" PDF to get started!
- Host an event with friends or family. Use this as an excuse to finally have that dinner party you've been wanting to! Host a brunch, cocktail, or dinner gathering and ask everyone to pitch in \$5 or \$10 or a requested number or type of food items to donate.
- Volunteer and attend our community event. We could really use your help during our CEAP Community Event on Friday, April 3rd from 10am-6:30pm and Monday, April 6th from 8am-4:30pm. [Sign up here!](#)
- Make a donation and watch your gift grow, thanks to the Minnesota FoodShare and the CEAP Community Collaborative donors' gift matching.

As a CEAP Community Challenge participant, you'll also be receiving regular emails from us about ways to show your support so stay tuned!
